

## Chairman and Treasurer Message

PKF is a non-political and non-profit charity organisation. Its aim is to help and support the needy and poor people in our society. PKF established 5<sup>th</sup> of December 2014 as a WhatsApp friendly group that lead to become a charity organisation in UK. PKF registered as a charity in 2017. Since PKF continued doing many small and medium projects in Bangladesh. Our volunteers and our team work hard for every project we run and implement. Our volunteer in Bangladesh who physically visit the needy people and collect the right information to make sure we give our support to the right people. Country like Bangladesh there is many people live in poor condition; they have no job or any shelter. There are many children and elderly people are in difficulties. We helped many elderly, disability, orphan and widow as well as children in education need. However we need continue higher fund to focus on such area. We have number of project plan in our mind but we need our donor and partners support in order to continue with our work. Last year we have successfully completed some projects including cash fund given to elderly people, helping children in their education, giving wheelchairs to disable people, water supply for local community and winter cloths to poor and needy. We will be continuing in our support to poor with your support.

## Chairman and Treasurer Message

Since we have running this charity we always tried hard to raise more fund so we could help as much as people we can. Our initial target is to support people in Bangladesh where many people living in poverty. Our latest accounts will be publishing end of each accounting year where our donor and partners can see our financial activity. We are a very small charity and we trying to grow gradually. We seek your help and support to achieve our aim and objectives. We should be kind to the humanity and be part of this helping hand. We are working hard to raise more fund and we have more plan ahead.
