PKF Data Protection and privacy policy: Donors/ Member Information Sheet

Who we are?

Probashi Kollan Foundation (PKF) is a non-profit charity organisation that aims to help and support the poor and needy. Established in December 2014, we officially registered as a CIO in March 2017. Our ambition is to reduce and eventually eliminate poverty in countries such as Bangladesh, as thousands of people needlessly suffer due to terrible living conditions. We're a helping hand for the forgotten people throughout society. We are registered member of Fundraising Regulated body FR in UK.
